April: The Resurrected life

Week 1 – Why resurrection matters

Introduction

Resurrection is the single boldest claim of the Christian faith. In world where one-way movement towards decay is a fundamental principle of nature, resurrection is an impossibility. But not only does our faith claim that resurrection is in fact possible, it places resurrection front and centre of our walk with God. In this season where we remember and celebrate the resurrection of the Lord Jesus Christ, we are going to take some time to understand what it means and why it matters.
