

House On The Rock Life Group Study outline

July: Repositioning for Greatness

Introduction

We have learnt about how God views greatness, as seen from Christ's example in the bible. The bible also has other examples of people who have been described as great, particularly in the old testament which we know was a foreshadowing of that which was to come. Moses was regarded as the greatest old testament prophet, and even so today in Judaism. God described Moses as faithful in all His house, and as distinct from your everyday prophet in the sense that God would speak with Moses face to face. What was it that made Moses so great? In today's study we will seek to understand this, and what we can learn from him.

Pilot text
